Welcome to Kindergarten

Our Promise to You

We promise you every day your child will learn something.

Some days they will bring it home in their hands,

Some days they will bring it home in their heads,

And some days they will bring it home in their hearts.

School Nutrition

Breakfast and lunch must be ordered through our online system called Nutrislice.

Menus are online and more information can be found [HERE](#).

*****For the 2022-2023 school year, the USDA has extended the free breakfast and lunch program to all public schools which means that your student can order meals free of charge. Orders must be placed by 7:30 AM each day and we encourage families to order ahead by the week or month!*****

Lunch

Every day there are several choices for lunch. A hot entree, salad, bagel and yogurt, sunbutter and jelly or a deli meat sandwich.

We encourage independence in our lunch room as much as possible. Please send students with containers that they can open themselves (we will assist if needed). We practice composting, recycling, and have students clean up after snacks and lunch.

School Communication

Frequency	Method & Purpose
Daily	Teachers & Staff available by email and phone during the week. Allow time for response given limited time without students.
Weekly	Classroom or Grade Level Newsletters come weekly or bi-weekly. School and district news are delivered electronically each week. These include updates from Primary PTA, notifications about school events, and other information.
Trimester	Progress Reports are sent home at the end of each trimester. Conferences are held in Fall and Spring.
Annually	The K-2 School Handbook is updated annually.

SAFETY and SECURITY

- **Doors are locked during the school day. Schools are monitored by security cameras.**
- **Safety drills are conducted regularly and include:**
 - **Fire drills - evacuation from the building**
 - **Hold in Place - Everyone stays in classrooms so hallways can be clear**
 - **Lock Down - Everyone stays in classrooms, doors locked, lights out, everyone out of sight from windows and doors**
- **Off site emergency plan**
 - **We have many plans that include having to leave school grounds. These plans are not published in detail for everyone's safety and security. You can access communication about emergency planning on the Scarborough Schools website:**
